New Forest Land Advice Service

An independent advice service for the land managing community in and around the New Forest and Avon Valley.

- Land management advice for grasslands, hedgerows, woodlands, ponds and watercourses
- Habitat management plans
- Training, courses and events
- A link to a wide range of organisations, initiatives and projects in the area
- Help applying for Countryside Stewardship grants
- Help sourcing a range of other grants
- Complying with and understanding land based regulations
- Help with form filling eg. Nitrate Vulnerable Zone, Rural Land Registry, felling licences, Basic Payment Scheme.

We offer

Support for landowners, farmers, New Forest Commoners, equine owners, graziers, Town and Parish Councils and community groups.
