In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued ‘Statement of responsibilities of auditors and audited bodies 2015-16’. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Purpose

Purpose

The Purpose of this Letter

The purpose of this annual audit letter is to communicate to Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Authority.

We have already reported the detailed findings from our audit work in our 2015/16 Audit Results Report to the Authority on 14 July 2016, representing those charged with governance. We do not repeat those detailed findings in this letter. The matters reported here are the most significant for the Authority.

Responsibilities

Responsibilities

Responsibilities of the Appointed Auditor

Our 2015/16 audit work has been undertaken in accordance with the Audit Plan that we issued on 7 March 2016 and is conducted in accordance with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office.

As auditors we are responsible for:

- ▶ Expressing an opinion:
 - ▶ on the 2015/16 financial statements; and
 - ▶ on the consistency of other information published with the financial statements.
- ▶ Forming a conclusion on the arrangements the Authority has to secure economy, efficiency and effectiveness in its use of resources.
- ▶ Reporting by exception:
 - ▶ if the annual governance statement is misleading or not consistent with our understanding of the Authority;
 - ▶ any significant matters that are in the public interest;
 - ▶ any written recommendations to the Authority, which should be copied to the Secretary of State; and
 - ▶ if we have discharged our duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

Alongside our work on the financial statements, we also review and report to the National Audit Office (NAO) on your Whole of Government Accounts return. The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the return.

Responsibilities of the Authority

The Authority is responsible for preparing and publishing its statement of accounts accompanied by an Annual Governance Statement. In the AGS, the Authority reports publicly each year on how far it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and any changes planned in the coming period.

The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Financial Statement Audit

Financial Statement Audit

Key Issues

The Authority's Statement of Accounts is an important tool for the Authority to show how it has used public money and how it can demonstrate its financial management and financial health.

We audited the Authority's Statement of Accounts in line with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office and issued an unqualified audit report on 2 August 2016.

Our detailed findings were reported to the Authority on 14 July 2016 .

The key issues identified as part of our audit were as follows:

Significant Risk	Conclusion
<p>Management override of controls</p> <p>A risk present on all audits is that management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly, and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.</p> <p>Auditing standards require us to respond to this risk by testing the appropriateness of journals, testing accounting estimates for possible management bias and obtaining an understanding of the business rationale for any significant unusual transactions.</p>	<p>We obtained a full list of journals posted to the general ledger during the year, and analysed these journals using criteria we set to identify any unusual journal types or amounts. We then tested a sample of journals that met our criteria and tested these to supporting documentation.</p> <p>Our review of accounting estimates has found that estimates are reasonable, and there was no indication of bias in the calculation of the estimates.</p> <p>We have not identified any material weaknesses in controls or evidence of material management override from the work we completed.</p> <p>We have not identified any instances of inappropriate judgements being applied.</p> <p>We did not identify any other transactions during our audit which appeared unusual or outside the Authority's normal course of business.</p>

Value for Money

Value for Money

We are required to consider whether the Authority has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- take informed decisions;
- deploy resources in a sustainable manner; and
- work with partners and other third parties.

We did not identify any significant risks in relation to these arrangements.

We therefore have no matters to report about your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Other Reporting Issues

Other Reporting Issues

Whole of Government Accounts

We performed the procedures required by the National Audit Office on the accuracy of the consolidation pack prepared by the Authority for Whole of Government Accounts purposes.

The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Authority's Annual Governance Statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it is misleading.

We did not identify any issues to report.

Report in the Public Interest

We have a duty under the Local Audit and Accountability Act 2014 to consider whether, in the public interest, to report on any matter that comes to our attention in the course of the audit in order for it to be considered by the Authority or brought to the attention of the public.

We did not identify any issues which required us to issue a report in the public interest.

Written Recommendations

We have a duty under the Local Audit and Accountability Act 2014 to designate any audit recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response.

We did not identify any issues which required us to issue a written recommendation.

Objections Received

We did not receive any objections to the 2015/16 financial statements from member of the public.

Other Powers and Duties

We identified no issues during our audit that required us to use our additional powers under the Local Audit and Accountability Act 2014.

Independence

We communicated our assessment of independence in our Audit Results Report to the Authority on 14 July 2016. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning regulatory and professional requirements.

Control Themes and Observations

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you significant deficiencies in internal control identified during our audit. We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in the financial statements and which the Authority does not know about.

Area	Issue	Impact
Faster close	<p>From the 2017/18 financial year, the deadline for preparing the Authority's financial statements will move to 31 May from 30 June. In addition, the deadline for completing the statutory audit will move to 31 July from 30 September.</p> <p>Good progress was made for the 2015/16 audit as the audit opinion was issued on 2 August 2016, after we presented our Audit Results Report to the Authority meeting on 14 July.</p>	<p>The faster closedown timetable requires the Authority to adjust its timetable for preparing the accounts, as well as the budget setting process and the timing of committee meetings.</p> <p>It requires upfront planning to identify areas of the accounts that can be prepared earlier, before the 31 March, and there will be a need to establish robust basis for estimations across a wider number of entries in the financial statements.</p> <p>For the 2016/17 audit, we are working with officers to bring our work forward to support the transition ahead of the new deadlines in 2017/18.</p>
Appointment of auditors	<p>The current audit contracts expire on the completion of the 2017/18 audit. The expiry of contracts also marks the end of the current mandatory regime for auditor appointments.</p> <p>After this, the Authority can exercise choice about whether it decides to opt in to the authorised national scheme, or whether to make other arrangements to appoint its own auditors.</p> <p>In July 2016, the Secretary of State for Communities and Local Government specified Public Sector Audit Appointments limited (PSAA) as an appointing person under regulation 3 of the Local Audit (Appointing Person) Regulations 2015.</p> <p>PSAA will be able to appoint an auditor to relevant authorities that choose to opt into its national collective scheme.</p>	<p>Appointment of auditors for the 2018/19 financial year is required by 31 December 2017.</p> <p>The Authority should consider whether it intends to opt into the appointed person scheme to appoint its own auditors from 2018/19 or if the Authority should make its own arrangements following the legislative requirements.</p>
