

Look but please don't pick

Fungi are essential to the New Forest National Park's ecosystem, which is why we are asking you not to pick fungi from this special place.

Please leave fungi alone as they might be very poisonous or rare.

Educational Forays are only allowed with permission from the Forestry Commission in advance. Clear guidelines will be issued with any permission.

**Thank you for
helping us to
protect the New
Forest's fungi.**

**Commercial
collecting of fungi is
not allowed. If you suspect
or see commercial fungi
picking please call the
Forestry Commission on
0300 067 4600
(24 hours).**
