NEW FOREST NATIONAL PARK AUTHORITY

RESOURCES, AUDIT AND PERFORMANCE COMMITTEE MEETING – 5 NOVEMBER 2018

HALF-YEAR PROGRESS REPORT 2018/19

Report by: David Stone, Corporate Services Manager and Nigel Stone, Chief Finance Officer

1 Purpose

- 1.1 To present second quarter (July-Sept) progress against the 2018/19 objectives from the 2018-2021 Business Plan.

2. Introduction

- 2.1 The Authority has produced a Business Plan for the period 2018-2021 which details the main activity of the Authority during that time and, more specifically, further detail on outcomes for the current year. The Business Plan sets out how we will deliver the Authority's two purposes and duty during these timeframes.
- 2.2 The Authority's Business Plan objectives/outcomes are derived from the Partnership Plan for the New Forest (2015-2020) which was approved by the Authority in June 2015 and ratified by all the other partner organisations involved.
- 2.3 This report accordingly comprises the Q2 update on progress against the actions in the plan based on a traffic light system of green – completed; amber – off track but not significant; and red – significantly off track. Individual owners for each outcome have been named to ensure clear lines of accountability. In line with members' previous requests, an explanatory note has been added in the "Risk and mitigation" column to clarify the reasons and next steps as applicable where targets had been flagged red or amber.
- 2.4 The report also contains the performance indicators for the current year (p6-9). This includes the 'family' (national) indicators, agreed by all English National Park Authorities, and a set of 'local' indicators set internally. The local indicators have been refined by Officers to both better reflect priorities and avoid repetition with figures which already appear in the main objectives; they have a mix of annual and quarterly reporting timeframes. Targets have been set that are "achievable but challenging"; therefore it is highly unlikely that all areas will be 'green'.

3 Recommendation

It is recommended that Members note the contents of the report and following discussion, agree any necessary management action.

Equality and Diversity Implications:

A number of the work programmes and indicators are directly focussed around improving equality and diversity, for example, our work with the Mosaic project, all-ability cycling and by monitoring attendance of under-represented groups at our events.

OUR AIMS AND OBJECTIVES

The National Park Authority was established in April 2005 and took on its full statutory powers and responsibilities in April 2006. The Authority will champion the New Forest National Park, working in partnership through co-ordinated and innovative policies and actions, focusing on achieving the two National Park purposes to:

- conserve and enhance the natural beauty, wildlife and cultural heritage of the National Park;
- promote opportunities for the understanding and enjoyment of the special qualities of the National Park by the public.

National Park Authorities also have a duty, in taking the purposes forward, to:

- seek to foster the economic and social well-being of local communities within the National Park.

2018/19 Objectives

We will work towards achieving the Vision for the Park through four main programmes of work that reflect the National Park purposes and duty. These programmes and their outcomes, set out below, will provide the focus for all our future work and will ensure that there are clear and common goals across the organisation.

- **Protect**

We will help to improve the large-scale landscapes and habitats that are characteristic of the New Forest.

APPENDIX 1 – Q2 for Protect showing progress against the actions

- **Enjoy**

We will work to champion the National Park as a place of inspiration, where everyone is able to enjoy, understand and value its special qualities.

APPENDIX 2 – Q2 for Enjoy showing progress against the actions

- **Prosper**

We will work to support a way of life in the National Park that continues to centre around strong and distinctive communities with a clear cultural identity and a vibrant local economy.

APPENDIX 3 – Q2 for Prosper showing progress against the actions

▪ **Achieving Excellence**

We will work to champion the highest quality of service for local people and visitors and work closely with organisations and communities in championing the National Park.
