BEE ACTIVITY- RACE TO GATHER NECTAR

RESOURCES: 2 SPONGES AND 4 BUCKETS

Bees do a wiggle dance when they find some good nectar to let their friends know where the best food is. In two teams: each team has to transport the nectar (use sponge to transport water) to the hive (bucket number 1).

The children run with a sponge to the bucket containing water. They do a wiggle dance, then run back to the hive bucket and squeeze out the water. The next bee runs to the bucket and collects the pollen. etc.

BLINDFOLD GAMES

BLINDFOLD MOLE TRAIL:

Wearing blindfolds children to follow a rope laid around trees.

What does it feel like to be blind?

BLINDFOLD WOODLOUSE TRAIL:

In teams of 4 the lead child wears no blindfold. Three others wear a blindfold. The lead child needs to explain everything he can see for the others behind.

Focus on trust and having so many legs to manoeuvre!
