Dear Tony and David

**Planning consultation: Addendum to local plan HRA**  
**Location: New Forest National Park Authority**

Thank you for your consultation on the above dated 04 May 2018 which was received by Natural England on 04 May 2018.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

We welcome the opportunity to comment on the Addendum to the local plan HRA. The addendum assesses the implications for the HRA of the proposed minor modifications to the Authority's Submission draft Local Plan and responds to the representations received by the Authority from Natural England relating to the HRA of the Submission draft Local Plan.

Having considered the content of the Addendum we have no further comments to make and feel that the addendum addresses the representations we made in previous correspondence regarding the local plan.

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.

For any queries regarding this letter, for new consultations, or to provide further information on this consultation please send your correspondences to [consultations@naturalengland.org.uk](mailto:consultations@naturalengland.org.uk).

Yours sincerely
