Number of meetings

- 4.1 Subject to the Coronavirus Regulations, the Authority shall hold one Annual Meeting and at least three other meetings for the transaction of general business.

Under the Coronavirus Regulations, until 7 May 2021 the Annual Meeting may be held at any date or time to be determined by the Authority. If considered appropriate the Authority may decide not to hold an Annual Meeting prior to 7 May 2021. In that case all appointments, whether as to the appointment of the Chairman and Deputy Chairman, or to appointments to Committees, or as to the Authority's representation to external bodies or otherwise, will continue until the next Annual

meeting of the Authority, unless it is necessary to amend any appointment(s) prior to that time, whether to fill a vacancy that has arisen or to reappoint an entire Committee if necessary. This may be done at a remote meeting of the Authority in accordance with the Coronavirus Regulations and these Standing Orders.

Dates of meetings

- 4.2 The meetings of the Authority shall be held as near as may be at regular intervals on such dates as the Chief Executive (National Park Officer) shall determine. A schedule of meeting dates for each forthcoming calendar year shall be circulated to Members prior to the start of that calendar year. The Chief Executive (National Park Officer) in consultation with the Chairman shall have authority to change the date of any scheduled meeting of the Authority at any time prior to the despatch of the summons for a particular meeting if, in their opinion, such change is necessary for the convenient and/or efficient dispatch of Authority business.

Date of Annual Meeting

- 4.3 Subject to the Coronavirus Regulations, the Annual Meeting of the Authority shall be the first meeting held after 31 August in any year.

Extraordinary meetings

- 4.4 An extraordinary meeting of the Authority may be called at any time by the Chairman or, if the office of Chairman is vacant, the Deputy Chairman.
- 4.5 In addition, five Members of the Authority may request an extraordinary meeting of the Authority by written notice specifying the nature of the business to be transacted at the meeting and addressed to the Chairman (or if the office of Chairman is vacant the Deputy Chairman and if both offices are vacant the Chief Executive (National Park Officer)). If the Chairman, Deputy Chairman or Chief Executive (National Park Officer) (as the case may be) have not called an extraordinary meeting within seven days of the presentation of such a requisition, any five Members of the Authority may forthwith call an extraordinary meeting of the Authority and must circulate notice of that meeting to all Members and to the Chief Executive (National Park Officer).

Time of meetings

- 4.6 The meetings of the Authority, its Committees, Sub-committees and Panels shall commence at such times as the Authority shall determine. The Chief Executive (National Park Officer) in consultation with the Chairman of the Authority, Committee Sub-committee or Panel shall have authority to change the time of any meeting if, in their opinion, such change is necessary for the convenient and/or efficient dispatch of Authority business.

Summons for a meeting

- 4.7 The Chief Executive (National Park Officer) shall issue a notice of the time and place of any meeting of the Authority, its Committees, Sub-committees or Panels together with a summons to attend the meeting, setting out the business to be conducted, not less than five clear days before the meeting to which it relates. Pursuant to the Coronavirus Regulations, until 7 May 2021 the Chairman and Chief Executive may determine that the meeting shall be held in 'virtual' or 'remote'

locations, such as internet locations, web addresses or conference call telephone numbers. The notice and summons shall be placed on the Authority's website. Where practicable, the notice of the meeting shall also be held at the Authority's offices for public viewing and placed on its website, and copies shall also be sent by ordinary prepaid post to the usual place of residence of every Member of the Authority, or, if agreed, in electronic format. Where practicable, a copy shall also be sent to the proper officer of every principal council whose areas are wholly or partly comprised in the area of the National Park, to Natural England or equivalent body at that time, and to the Secretary of State.

- 4.8 If a Member of the Authority gives notice in writing to the Chief Executive (National Park Officer) that he/she desires summonses to attend meetings of the Authority, its Committees, Sub-committees or Panels to be sent to him/her at an address other than his/her usual place of residence, any summons addressed to him/her and left at or sent by post to that address shall be deemed sufficient service of the summons.
- 4.9 Want of service of a summons on any Member of the Authority shall not affect the validity of any meeting.

Recording of meetings

- 4.10 Meetings of the Authority that are open to the press and public in accordance with Standing Order 24 may be recorded by officers or others in accordance with the Local Audit and Accountability Act 2014 and the 2014 Regulations. Members of the public may record and report on open meetings of the Authority and its Committees using sound, video, film, photograph or any other means which includes blogging or tweeting, posts on social media sites, or publishing on video sharing sites. Members of the public wishing to record or report on a meeting will be encouraged to contact the Monitoring Officer or the Deputy Monitoring Officer in advance to make sure that suitable facilities are available, that it will not cause disruption and that it is carried out in accordance with any protocols and guidance published by the Monitoring Officer. The Chairman has discretion to withdraw or suspend this permission should he or she deem it necessary, for example if the recording is disrupting the conduct of the meeting, or where a member of the public participating in a meeting objects to being recorded.

In accordance with the Coronavirus Regulations, where a meeting of the Authority or one of its Committees is held remotely, either the video or audio or both will be streamed live with access available from the Authority's website.

- 4.11 Any member of the Authority who has a DPI in any item to be considered at a meeting of the Authority must not participate in any discussion of, or vote on, that matter and must withdraw from the room prior to the start of the item, unless a dispensation has first been obtained in accordance with section 33 of the 2011 Act, the Code of Conduct, and the Authority's Scheme of Delegations to Committees and Officers. If a member has a DPI and has obtained a dispensation, the existence of that interest and the dispensation shall be declared at the start of the meeting, whether or not that DPI has previously been entered in the register of DPIs held by the Monitoring Officer.

- 4.12 Any member of the Authority who has a PNPI in any item to be considered at a meeting of the Authority may speak at the meeting in accordance with the procedures set out in Schedule 1 Part 1 to these Standing Orders and the Members' Code of Conduct, but that Member shall not otherwise participate in discussion of, or have any right to vote upon, that item, and must withdraw from the room when those representations are concluded and before any discussion or vote takes place.

- 5.9 Subject to the requirements of the Members' Code of Conduct relating to Members' interests and Schedule 1 to these Standing Orders, a Member shall have the right to attend any meeting and receive the relevant paperwork in respect of a meeting of a Committee, Sub-committee, Panel or other group of which he/she is not a member, other than a Panel or group established by the Standards Committee in connection with an allegation that a Member has failed to comply with the Code of Conduct or a Local Protocol.
- 5.10 Subject to the requirements of the Members' Code of Conduct relating to Members' interests and Schedule 1 to these Standing Orders, any Member who is not a member of a particular Committee, Sub-committee or Panel may speak at a meeting of that Committee, Sub-committee or Panel in accordance with the procedure set out in Schedule 1 to these Standing Orders, but that Member shall not otherwise participate or have any right to vote at the meeting.

- 5.12 Any member of a Committee, Sub-committee or Panel who has a DPI in any item to be considered at a meeting of that Committee, Sub-committee or Panel must not participate in discussion of, or vote on, that matter and must withdraw from the room prior to the start of the item, unless a dispensation has first been obtained in accordance with section 33 of the 2011 Act and the Authority's Scheme of Delegations to Committees and Officers. If a member has a DPI and has obtained a dispensation, the existence of that interest and the dispensation shall be declared at the start of the meeting, whether or not that DPI has previously been entered in the register of DPIs held by the Monitoring Officer.

- 5.13 Any member of a Committee, Sub-committee or Panel who has a PNPI may speak at the meeting in accordance with the procedures set out in Schedule 1 Parts 1 and 2 to these Standing Orders and the Members' Code of Conduct, but that Member shall not otherwise participate in discussion of, or have any right to vote upon, that item.
- 5.14 Any Member who wishes to place on the agenda of any Committee or Sub-committee a matter appropriate to its remit may do so by giving written notice to the Chief Executive (National Park Officer) at least 9 working days before the next ordinary meeting of the Committee or Sub-committee.

- 5.16 The Chairman of a Committee or Sub-committee may call an extraordinary meeting of the Committee or Sub-committee at any time. The summons to the special meeting shall set out the business to be considered thereat and no business other than that set out in the summons shall be considered at that meeting.
- 5.17 Meetings of the Authority's Committees that are open to the press and public in accordance with Standing Order 24 and applicable legislation may be recorded by officers or others in accordance with the 2014 Regulations.

6. QUORUM

- 6.1 Subject to paragraphs 6.3 and 6.4 below, no business shall be transacted at a meeting of the Authority, its Committees, Sub-committees or Panels unless:
- 6.1.1 at least one-third of the whole number of Members of the Authority, Committee, Sub-committee or Panel, as appropriate, are present; and
 - 6.1.2 of those present, at least one is a local authority Member and at least one is a Member appointed to the Authority by the Secretary of State to represent the national interest.

For the avoidance of doubt, if one-third of the whole number of Members of the Authority, Committee, Sub-committee or Panel does not amount to a whole number then that fraction shall be rounded upwards to the nearest whole number for the purposes of determining the quorum.

Pursuant to the Coronavirus Regulations, for the purposes of 6.1.1 and 6.1.2 above 'present' is to be interpreted widely and is not limited to those who are present in the same physical location.

- 6.2 If, during any meeting of the Authority, a Committee, Sub-committee or Panel, the Chairman, after counting the number of persons present, declares that there is not a quorum present, subject to 6.3 below, the meeting shall stand adjourned to a

date fixed by the Chairman at the time the meeting is adjourned or, if this is not practicable, to a date to be arranged (by Officers on behalf of the Chairman) or alternatively the Chairman may state that the business shall be considered at the next meeting of the Authority or the relevant parent Committee, as appropriate.

- 6.3 In the application of this Standing Order to any Committee or Sub-committee, a meeting may continue at the discretion of the Chairman provided that no decision shall be taken without submission of any proposal to the Authority. The absence of a quorum shall be noted in the minutes.
- 6.4 In accordance with paragraph 45 of Schedule 12 to the 1972 Act, where more than one-third of the members of the Authority become disqualified at the same time, then, until the number of members in office is increased to not less than two-thirds of the whole number of members of the Authority, the quorum of the Authority shall be determined by reference to the number of Members of the Authority at that time remaining qualified.

7. CHAIRMAN AND DEPUTY CHAIRMAN

- 7.1 At each Annual Meeting of the Authority the first item of business shall be to elect a Chairman of the Authority. The second item of business shall be to elect a Deputy Chairman of the Authority.
- 7.2 A nomination for the position of Chairman must be proposed and seconded and the nomination (including details of both proposer and seconder) shall be submitted in writing or written electronic format to the Chief Executive (National Park Officer), with a copy to the Corporate Services Manager, prior to the commencement of the meeting (subject to Standing Orders 7.6 and 7.10 below). At the Annual meeting, the Chief Executive (National Park Officer) or the Monitoring Officer (or the Deputy Monitoring Officer if the Chief Executive and Monitoring Officer are not present) will facilitate the appointment of a Member who is not standing for the office of Chairman to chair the meeting for this item of business. The Authority's Monitoring Officer or Deputy Monitoring Officer shall be responsible for scrutinising the election process.
- 7.3 If more than one nomination is received for a vacancy, and Members so determine in accordance with Standing Order 20, the election shall proceed by secret ballot.
- 7.4 In the event of an equality of votes between two candidates, the Member presiding at the meeting shall have a second or casting vote.
- 7.5 Where there are more than two persons nominated for a vacancy and the election does not result in a majority of votes given in favour of one person, the name of the person having the least number of votes shall be struck off the list and a further election held, and so on, until a majority of votes is given in favour of one person.
- 7.6 The Deputy Chairman shall be elected in a like manner, save that the Chairman duly elected under this Standing Order 7 shall chair the meeting and that any unsuccessful candidate for the Chairman may declare at the meeting their willingness to stand as Deputy Chairman without separate prior written nomination.
- 7.7 Subject to Standing Order 4.1 and the Coronavirus Regulations, the Chairman and Deputy Chairman shall be elected for the period up to the date of the next Annual

meeting of the Authority but both such persons shall, on ceasing to hold office at the end of their elected term, be eligible for re-election.

- 7.8 The Chairman or Deputy Chairman may at any time resign his/her office by notice in writing delivered to the Chief Executive (National Park Officer).
- 7.9 A person shall cease to hold office as Chairman or Deputy Chairman of the Authority upon ceasing to be a Member of the Authority.
- 7.10 If a vacancy in the office of Chairman or Deputy Chairman arises it shall be the duty of the Members of the Authority to secure that the vacancy is filled as soon as possible, in accordance with the procedure set out in this Standing Order 7. Where a vacancy in the office of Chairman has arisen and a replacement is required to be made at a meeting other than the Annual meeting of the Authority the Deputy Chairman shall preside over the vote on that matter, in accordance with Standing Order 7.4, as the first item of business. Should a casual vacancy in the office of Chairman or Deputy Chairman arise after the summons has been issued for an Authority meeting, there will be no need to submit nominations in writing prior to that meeting and nominations may be made and voted on at the meeting in question, subject to the need to be seconded and for the candidate(s) to indicate their acceptance of the nomination.
- 7.11 Where a vacancy in the office of Chairman or Deputy Chairman of the Authority is filled, the person then elected shall hold office until the next Annual Meeting of the Authority.

- 8.2 Where an Annual Meeting of the Authority in any year is held remotely, the Chairman and Deputy Chairman of each Committee shall be elected at the next meeting of that Committee rather than at the Annual meeting, with nominations being submitted verbally at the relevant Committee meeting. A senior officer will facilitate the election of a Committee member who is not standing for the office of Committee Chairman to chair the meeting for this item of business and that Member shall have a casting vote if necessary. The newly appointed Committee Chairman will oversee the election of his or her Deputy in a like manner. Voting on these appointments will take place in accordance with Standing Order 20. If more than one nomination is received for a vacancy, and Members so determine, the election shall proceed by secret ballot. The Authority's Monitoring Officer or Deputy Monitoring Officer shall be responsible for scrutinising the election process.
- 8.3 Where an Annual Meeting of the Authority in any year is held with Members present together in the same physical location, the elections for Committee Chairmen and Deputy Chairman shall follow the appointments to each Committee. The Authority's Monitoring Officer or Deputy Monitoring Officer shall be responsible for scrutinising the election process. Nominations for the positions of Chairman and Deputy Chairman of each committee shall be submitted verbally at the Annual Meeting of the Authority. The newly appointed Authority Chairman shall preside over the election of the Chairman of each Committee. The respective

Committee Chairman shall preside over the election of the Deputy Chairmen of each Committee (but if a Committee Chairman has been appointed in his or her absence, the appointment of the Deputy Chairman of that Committee shall take place at the next meeting of the relevant Committee).

- 8.4 Voting on these appointments will take place in accordance with Standing Order 20 and in particular Standing Orders 20.5 and 20.6 shall apply. If more than one nomination is received for a vacancy, and Members so determine, the election shall proceed by secret ballot.
- 8.5 In the event of an equality of votes between two candidates for Chairman of a Committee, the Chairman of the Authority, or in his or her absence the Deputy Chairman, shall have a second or casting vote.
- 8.6 In the event of an equality of votes between two candidates for Deputy Chairman of a Committee, the newly elected Chairman of that Committee shall have a casting vote.
- 8.7 Where there are more than two persons nominated for a vacancy and the election does not result in a majority of votes given in favour of one person, the name of the person having the least number of votes shall be struck off the list and a further election held, and so on, until a majority of votes is given in favour of one person.
- 8.8 The Chairman or Deputy Chairman of the relevant Committee may at any time resign his/her office by notice in writing delivered to the Chief Executive (National Park Officer).
- 8.9 A person shall cease to hold office as Chairman or Deputy Chairman of the relevant Committee upon ceasing to be a Member of the Authority.
- 8.10 If a vacancy in the office of Chairman or Deputy Chairman of a Committee arises it shall be the duty of the members present at the first scheduled meeting of that Committee after the vacancy arises to secure that the vacancy is filled as soon as possible. The Chairman or Deputy Chairman may be elected at that Committee meeting by a majority of the members of the Committee present. Election of Chairman shall be facilitated by the Chief Executive or Monitoring Officer. Election of the Deputy Chairman shall be presided over by the relevant Committee Chairman.
- 8.11 Where a vacancy in the office of Chairman or Deputy Chairman of the relevant Committee is filled, the person then elected shall hold office until the next Annual Meeting of the Authority.
- 8.12 Unless otherwise determined by a particular Committee, the Chairman and Deputy Chairman of the 'parent' committee shall automatically be appointed Chairman and Deputy Chairman respectively of any Sub-committee or Panel appointed by that 'parent' committee.

9. APPOINTMENT OF CHIEF EXECUTIVE (NATIONAL PARK OFFICER)

- 9.1 Pursuant to Schedule 7 of the 1995 Act, the Authority shall ensure that there is at all times a person appointed as Chief Executive (National Park Officer) with responsibility for the execution, maintenance and co-ordination of the Authority's

duties, functions and responsibilities. Where a vacancy occurs in the office of Chief Executive (National Park Officer), the Authority shall appoint an officer to act as Chief Executive (National Park Officer) until the position is filled.

- 9.2 Procedures relating to the appointment of, review of performance of, disciplinary action against and investigation of alleged misconduct by the Chief Executive (National Park Officer) are set out in Schedules 2 and 3 to these Standing Orders, together in Schedule 3 with procedures relating to disciplinary action against the Chief Finance Officer or the Monitoring Officer in accordance with the Establishment Order and the 2001 Regulations.

10. CONDUCT OF MEETINGS

For the avoidance of doubt, Standing Orders 10.2 to 10.4 inclusive shall apply to all meetings of the Authority's Committees, Sub-committees and Panels.

- 10.1 At a meeting of the Authority the Chairman, if present, shall preside, except for the election of Chairman of the Authority when the Chief Executive (National Park Officer) or the Monitoring Officer shall, under the provisions of Standing Order 7, facilitate the appointment of a member of the Authority as an interim chairman.
- 10.2 If the Chairman is absent from a meeting of the Authority, a Committee, Sub-committee or Panel the relevant Deputy Chairman, if present, shall, subject to the provisions of Standing Order 7, preside.
- 10.3 If both the Chairman and Deputy Chairman of the Authority, Committee, Sub-committee or Panel are absent, the Members of the Authority present at that meeting shall choose a person from their number to preside as Chairman for that meeting.
- 10.4 For the avoidance of doubt, any powers or duties assigned to the Chairman in relation to the conduct of a meeting may be exercised by any person presiding at a meeting in accordance with Standing Order 10.3.

11. ATTENDANCE AT MEETING

- 11.1 Every Member attending a meeting of the Authority or any of its Committees, Sub-committees or Panels of which he/she is a member, shall certify his/her attendance by signing against his/her name on the record sheet provided for that purpose.

12. MINUTES

- 12.1 Not less than five clear days prior to every meeting of the Authority a printed copy of the minutes of the previous meeting shall be sent to every Member, where necessary by electronic means.
- 12.2 Provided that Standing Order 12.1 has been complied with, the minutes shall be taken as read and, at the next meeting of the Authority in accordance with the order of business set out in Standing Order 13, the Chairman shall put the question 'May

the minutes of the meeting held on the X day of Y be approved as a correct record?"

- 12.3 There shall be no discussion upon the minutes, except upon their accuracy. If no such question is raised, or if it is raised then as soon as it has been resolved, the Chairman shall sign the minutes.
- 12.4 Minutes of the proceedings of a meeting of the Authority shall be drawn up, consecutively numbered, and entered in a book kept for that purpose or may be recorded on loose leaves, the minutes of any meeting being signed, and each leaf comprising those minutes being initialled, at the same or next suitable meeting of the Authority, by the person presiding thereat, and any minute purporting to be so signed shall be received in evidence without further proof. For the avoidance of doubt, this requirement does not extend to reports appended to the minutes.
- 12.5 A copy of the minutes of the proceedings at each meeting of the Authority shall be sent to the proper officer of the council for every principal area the whole or any part of which is within the National Park for which the Authority is established, to Natural England or its equivalent, and to the Secretary of State within thirty-five days of the date of the meeting at which those minutes are approved.

13. ORDER OF BUSINESS

- 13.1 Subject to paragraphs 13.2, 13.3, 13.4 and 13.5 of this Standing Order (and excepting Standing Order 13.1.1 which shall apply only to meetings of the full Authority) and any statutory requirements, the order of business at every meeting of the Authority and its Committees and Sub-committees shall be:

14.2 Furthermore, a Member may also:

14.2.1 ask any question relating to any business of the Authority, other than that before the meeting, provided written notice is received at the office of the Chief Executive (National Park Officer) at least 9 working days before the meeting, and may ask for a response to be made at the meeting; and

Provided that:

14.2.3 where the desired information is contained in any publication of the Authority it shall be deemed a sufficient reply if the publication containing the information is indicated;

14.2.4 if a reply to any question cannot conveniently be given at the meeting, it will be deemed a sufficient reply if the answer is circulated to Members with the minutes of the meeting at which the question has been asked;

14.2.5 every question shall be put and answered without discussion and no provision shall be made for asking supplementary questions; and

14.2.6 a person to whom a question is put may decline to answer.

15. PUBLIC QUESTIONS

15.1 Part 1 of Schedule 1 to these Standing Orders shall regulate public questions at meetings of the Authority and its Committees, with meetings of the Planning Committee being regulated in Part 2 of Schedule 1.

15.2 Public speaking at meetings of the Authority's Sub-committees, Panels and other groups shall be at the discretion of the Chairman or Deputy Chairman of the relevant Sub-committee or Panel (or in their absence the person appointed to preside, in accordance with Standing Order 10.3 or otherwise).

16. MOTIONS

With the exception of Standing Orders 16.5, 16.6 and 16.7 which shall apply only to meetings of the full Authority, this Standing Order 16 shall apply to all meetings of the Authority, its Committees, Sub-committees and Panels.

This Standing Order shall be relevant to any business not before the Authority (i.e. any business not included in the summons for that meeting).

Notice of motion

- 16.1 Notice of every motion (other than those which under Standing Order 17 may be moved without notice and those relating to business set out on the summons for the meeting) shall be given in writing and signed by the Member or Members giving the notice and delivered at least 9 clear working days before the next meeting of the Authority to the Chief Executive (National Park Officer) with a copy to the Member Services section. Upon receipt it shall be dated, numbered in the order in which it is received, and entered into a register which shall be open to the inspection of every Member.

Motions to be set out in summons

- 16.2 The Chief Executive (National Park Officer) shall set out in the summons for every meeting of the Authority all motions of which notice has been duly given in the order in which they have been received, unless the Member when giving such notice intimated in writing that they propose to move it at some later meeting or has since withdrawn it in writing.

Motion not moved

- 16.3 If a motion which is set out in the summons is not moved either by a Member who gave notice thereof or by some other Member on his/her behalf and duly seconded at the meeting it shall, unless postponed by consent of the Authority, be treated as withdrawn and shall not be moved without fresh notice.

Scope of motion

- 16.4 Every motion shall be relevant to some matter in relation to which the Authority has power or duties or which affects the New Forest National Park and its environs or which affects national parks and national park authorities in general.

Referral to Committee or Sub-committee

- 16.5 With the exception of items of business which have already been considered and determined by a Committee or Sub-committee, where the subject matter of any motion of which notice has been duly given comes within the delegated powers of any Committee or Sub-committee it shall, upon being moved and seconded, stand referred without discussion to such Committee or Sub-committee as the Authority may determine for consideration and report.
- 16.6 If the Chairman considers it convenient and/or conducive to the efficient dispatch of business, the Chairman may allow the motion to be dealt with at the meeting at which it is brought forward.
- 16.7 A Member who has moved a motion which has been referred to any Committee or Sub-committee shall have notice of the meeting of the Committee or Sub-

committee at which it is proposed to consider the motion, and shall have an opportunity to explain the motion.

17. MOTIONS WHICH MAY BE MOVED WITHOUT NOTICE

With the exception of Standing Orders 17.1.7, 17.1.15 and 17.1.16 which shall apply only to meetings of the full Authority, this Standing Order 17 applies to all meetings of the Authority and its Committees and Sub-committees.

This Standing Order 17 only applies to the business before the Authority, Committee or Sub-committee (i.e. included in the summons for that meeting).

17.1 The following motions and amendments need not be in writing and may be moved without notice:

- 17.1.1 appointment of the Chairman and/or Deputy Chairman of the meeting at which the motion is made when a vacancy has arisen;

- 17.1.16 appointment of a Committee, Sub-committee, Panel or other group, or member thereof, occasioned by an item mentioned in the summons to the meeting.

18. RULES OF DEBATE

This Standing Order 18 applies to all meetings of the full Authority and its Committees, Sub-committees and Panels

In dealing with the majority of the Authority's business the respective Chairman of the Authority, its Committees, Sub-committees or Panels, shall adopt the more informal style of debate as referred to at paragraph 18.21 below, unless, in his or her absolute discretion, the Chairman adopts the formal rules of debate detailed in the remainder of Standing Order 18.

Discussion of a motion or amendment

- 18.1 A motion or amendment to a motion shall not be discussed unless it has been proposed and seconded and, unless any necessary notice has already been given in accordance with Standing Order 16, the Chairman may require it to be put into writing and handed to the Chairman before it is further discussed or put to the meeting. For the avoidance of doubt, an Officer's recommendation set out in any report to the meeting whether written or oral or in the summons for the meeting should be proposed and seconded by Members before being voted upon.

Seconders's speech

- 18.2 A Member when seconding a motion or amendment to a motion may declare his/her intention to reserve speaking until later in the debate.

Speaking in debate

- 18.3 A Member when speaking shall address the Chairman. If two or more Members indicate a wish to speak, the Chairman shall call one to speak; the other or others shall then await their opportunity to speak. While a Member is speaking the other Members shall refrain from speaking unless raising a point of order.

Content and length of speeches

- 18.4 A Member shall direct his/her speech to the question under discussion or to a personal explanation or to a point of order. No speech at a meeting of the full Authority, its Committees, Sub-committees or Panels may exceed 5 minutes except with the consent of the Chairman.

Speaking more than once

- 18.5 Subject to the discretion of the Chairman, a Member shall not, at a meeting of the full Authority, its Committees, Sub-committees or Panels, address the meeting more than once on any motion or amendment, provided always that a Member may speak:

18.5.1 to a point of order;

18.5.2 in explanation of some material part of a speech made by him/her at the meeting which appears in the course of the debate to have been misunderstood;

- 18.5.3 once on an amendment moved by another Member;
- 18.5.4 if the motion has been amended since that Member last spoke, to move a further amendment; or
- 18.5.5 if his/her first speech was on an amendment moved by another Member, on the main issue, whether or not the amendment on which he/she originally spoke was carried.

Motions which may be moved during debate

- 18.6 When a motion is under debate no other motion shall be moved except the following:
 - 18.6.1 to amend the motion;
 - 18.6.2 that the question be now put;
 - 18.6.3 to adjourn the debate or defer decision in relation to that motion to another meeting;
 - 18.6.4 to proceed to the next item of business;
 - 18.6.5 to adjourn the meeting;
 - 18.6.6 a motion under Standing Order 24 to exclude the public;
 - 18.6.7 that a Member be not further heard (Standing Order 22.1);
 - 18.6.8 that a Member leave the meeting (Standing Order 22.2);

but notice of any number of other motions may be given and these further motions shall be dealt with in the order received and one at a time once the previous motion has been dealt with.

Amendments to motions

- 18.7 An amendment shall be relevant to the motion and shall be either:
 - 18.7.1 to leave out words; or
 - 18.7.2 to insert or add words; or
 - 18.7.3 to leave out words and insert or add others;

but such omission, insertion or addition of words shall not have the effect of negating the motion before the Authority, Committee, Sub-committee or Panel, nor of deferring that item of business, nor of introducing a substantially new proposal.

Discussion of amendments

- 18.8 Only one amendment may be moved and discussed at a time and no further amendment shall be moved until the amendment under discussion has been disposed of, but notice of any number of amendments may be given.

- 18.9 The Chairman may permit two or more amendments to be discussed together (but not voted on together) if he/she is of the opinion that this course would facilitate the proper conduct of Authority business.

Further amendments

- 18.10 If an amendment is lost, other amendments may be moved on the original motion. If an amendment is carried, the motion as amended shall take the place of the original motion and shall become the motion upon which any further amendment may be moved.
- 18.11 The mover and seconder of a motion or an amendment rejected by the Authority shall not be entitled to move any further amendment at that meeting on the question under discussion.

Withdrawal of motion or amendment

- 18.12 A motion or amendment may be withdrawn by the mover of that motion or amendment, in which case the seconder may be asked if he/she still wishes to move that motion and whether he/she has a further seconder. If not, no Member may speak upon it after the mover and seconder have withdrawn the motion.

Right of reply

- 18.13 The mover of a motion has a right of reply at the close of the debate on the motion, immediately before it is put to the vote, but the reply shall be strictly confined to answering previous speakers and shall not introduce any new matters into the debate. If an amendment is moved, the mover of the original motion shall also have a right of reply at the close of the debate on the amendment and shall not otherwise speak on the amendment. The mover of the amendment shall have no right of reply to the debate on his/her amendment.

Closure motions

- 18.14 A Member who has not already spoken may move without comment at the conclusion of a speech of another Member: "That the Authority proceed to the next item of business", "That the question be now put", "That the debate be now adjourned" or "That the Authority do now adjourn", on the seconding of which the procedure shall be as follows:
- 18.14.1 on a motion to proceed to the next item of business, unless in the Chairman's opinion the matter before the meeting has been insufficiently discussed, the Chairman shall first give the mover of the original motion a right of reply, and then put to the vote the motion to proceed to next business;
- 18.14.2 on a motion that the question be now put, unless in the Chairman's opinion the matter before the meeting has been insufficiently discussed, the Chairman shall first put to the vote the motion that the question be now put, and if it is passed then give the mover of the original motion their right of reply before putting the motion to the vote;

18.14.2 on a motion to adjourn the debate or the meeting, if in the Chairman's opinion the matter before the meeting has not been sufficiently discussed and cannot reasonably be sufficiently discussed on that occasion the Chairman shall put the adjournment motion to the vote without giving the mover of the original motion a right of reply on that occasion.

Points of order

- 18.15 A Member may raise a point of order or a matter of personal explanation and shall be entitled to be heard forthwith.
- 18.16 A point of order shall relate only to an alleged breach of a Standing Order or statutory provision and the Member shall specify the Standing Order or statutory provision and the way in which he/she considers it has been broken.
- 18.17 A personal explanation shall be confined to some material part of a former speech by him/her which appears to have been misunderstood in the present debate.
- 18.18 The ruling of the Chairman on a point of order or on the admissibility of a personal explanation shall not be open to discussion.

Voting on a motion

- 18.19 Voting on each motion shall take place in accordance with Standing Orders 20 and 21. Subject to Standing Order 18.12, each motion must be debated and voted on, including any amendments that have become part of that motion in accordance with Standing Orders 18.8-18.11 and any motions that can be moved in accordance with Standing Order 18.6, before any other motions can be voted upon. If no proposal has been approved and no further or alternative proposal is forthcoming, so that a particular matter cannot be resolved by that meeting, the matter shall be automatically referred as follows:

(i) in the case of a matter before the Authority for decision, to the next meeting of the Authority;

(ii) in the case of a matter before a Committee for decision, to the next meeting of the Authority;

(iii) in the case of a matter before a Sub-committee or Panel for decision, to the next meeting of the parent Committee of that Sub-committee or Panel.

Respect for the Chairman

- 18.20 If the Chairman intervenes during a debate any Member then speaking shall immediately stop and the Members of the Authority present shall be silent.

Discretion of the Chairman

- 18.21 The application of this Standing Order 18 shall be at the discretion of the Chairman of the Authority, that Committee or Sub-committee in that, if the Chairman wishes to permit a more informal style of debate than that prescribed by this Standing Order, he/she may do so.

19. REVERSAL OF PREVIOUS RESOLUTION

- 19.1 No motion to rescind, reverse or amend any resolution passed by one of the Authority's Committees, Sub-committees or Panels within the preceding six months, and no motion or amendment which has the same effect as one which has been rejected within the preceding six months, shall be proposed unless the notice thereof given in accordance with Standing Order 16 bears the names of at least six Members. Any such motion shall go before a meeting of the full Authority.

20. VOTING

This Standing Order 20 applies to all meetings of the full Authority and its Committees, Sub-committees and Panels

- 20.1 Subject to Standing Order 20.8, the Chairman shall have discretion to ask the meeting to indicate its agreement to a motion by general consent, except where either:
- 20.1.1 any Member requests that the motion be determined by a show of hands; or
 - 20.1.2 a majority of the meeting decides that voting should be by means of a secret ballot.
- 20.2 Pursuant to Schedule 12 of the 1972 Act, all questions coming or arising before a meeting of the Authority, its Committees or Sub-committees shall be decided by a majority of the Members present and voting at that meeting.
- 20.3 On the Chairman putting the question no further discussion on it shall take place. The question having been put by the Chairman and voting having commenced no Member shall speak, nor any questions be asked.
- 20.4 Subject to Standing Order 8.5, where an equality of votes on any matter arising throughout the course of any meeting occurs, the person presiding at that meeting in accordance with these Standing Orders shall have a second or casting vote, provided that the person presiding is a Member of the Authority, Committee, Sub-committee or Panel to which these Standing Orders apply.
- 20.5 On a vote to appoint a Committee Chairman taken pursuant to Standing Order 8 (Election of Chairman of Committees) only the Members of the Committee to which that Chairman is being elected will be permitted to vote in the first instance. In the event of an equality of votes the Authority Chairman, or Deputy Chairman if the Chairman is not present, shall have a second or casting vote.
- 20.6 On a vote to appoint a Deputy Chairman of a Committee taken pursuant to Standing Order 8, only the Members of the Committee to which the Chairman is being elected will be permitted to vote. In the event of an equality of votes the newly elected Chairman of that Committee shall have a second or casting vote. In his/her absence the determination of this item of business will be conducted in accordance with Standing Order 8.2.
- 20.7 If immediately after a vote is taken any Member so requests, a record shall be kept in the minutes of that meeting whether that Member cast his/her vote for the

question, against the question or abstained from voting. Where a vote has been determined by secret ballot in accordance with Standing Orders 20.1.2 or 20.8.2 and a Member subsequently immediately requests that his or her vote be recorded, that Member shall be asked to state for the record which way he or she voted in the ballot.

20.8 At any remote meeting of the Authority or one of its Committees, Sub-Committees or Panels, voting shall take place in accordance with this Standing Order 20.8 and Standing Order 20.1 shall be suspended for the duration of that meeting.

20.8.1 Subject to Standing Order 20.8.2 and 20.8.3 below, voting at a remote meeting shall take place by the Chairman calling in turn the name of each Member present at the meeting and entitled to vote, or if possible and practicable and at the Chairman's discretion by the use of electronic 'voting buttons', and each Member shall respond verbally or by the use of voting buttons as to whether they support or oppose the motion or are abstaining from the vote.

20.8.2 Where a majority of the Members present at a remote meeting so determine, a vote may be held by secret ballot. Members present at the meeting may cast their vote or indicate that they are abstaining either by anonymised electronic voting where possible and practicable (whether through the 'Forms' function in Microsoft Teams, by 'Bristol Online Survey', or otherwise) or, where electronic voting is not possible or practicable, by electronic written correspondence (email) to the Monitoring Officer and Deputy Monitoring Officer. If the email option is used, should emails not have been received from all Members present at the meeting and entitled to vote within five minutes of the ballot being begun, the Monitoring Officer or Deputy Monitoring Officer will attempt to contact the remaining Members by telephone and they may cast their vote verbally. The Monitoring Officer or Deputy Monitoring Officer will then count all of the votes that have been received and report the result to the person presiding at the meeting.

20.8.3 Where it is necessary for the outcome of the ballot to be known prior to determining any other business (for example, on the election of the Chairman of the Authority where no Deputy Chairman is in place), the meeting shall stand adjourned for a period of fifteen minutes to allow the ballot to take place. In all other cases, and subject to the discretion of the person presiding at that meeting in accordance with these Standing Orders, the business of the meeting shall continue and the announcement of the result of the ballot shall take place later in the meeting once the vote has been counted.

21. RECORDED VOTES

This Standing Order 21 applies to all meetings of the full Authority and its Committees, Sub-committees and Panels

21.1 Before a vote is taken any Member may request that it is recorded. Where that meeting is taking place with Members present together in a physical location, Members who support the request shall raise an arm. Where the meeting takes place remotely, the Chairman will ask Members to indicate verbally as to whether

or not they are in support of a recorded vote. Subject to Standing Order 21.2 below, if five other Members at meetings of the full Authority, or one third of the total number of members present at meetings of Committees, Sub-Committees or Panels, are in support, the vote shall be taken as follows:

The Chief Executive (National Park Officer), Monitoring Officer or Deputy Monitoring Officer shall call the name of each Member in turn. Those Members:

21.1.1 voting for the proposition shall respond "for";

21.1.2 voting against the proposition shall respond "against";

21.1.3 not voting shall respond "abstain".

The manner in which each Member voted shall be recorded in the minutes.

21.2 For the avoidance of doubt, should the majority of Members present at any meeting have determined that a motion should be decided by secret ballot it will not be possible for a recorded vote to take place under Standing Order 21.1, although notwithstanding this provision one or more individual Members may request that his/her own vote be recorded as set out in Standing Order 20 above.

22. DISORDERLY CONDUCT – MEMBERS

22.1 If during any meeting of the Authority, its Committees, Sub-committees, Panels or other groups the Chairman presiding over the meeting forms the opinion and notifies the meeting that any Member is engaging in misconduct by persistently disregarding the ruling of the Chairman, or by behaving irregularly, improperly or offensively, or by wilfully obstructing the business of the Authority, Committee or Sub-committee, the Chairman or any other Member may move "That the member named be not further heard", and the motion if seconded shall be put and determined without discussion.

22.2 If the Member named continues the misconduct after a motion under the foregoing paragraph has been carried the Chairman shall:

22.2.1 either move "that the member named do leave the meeting" (the motion being put and determined without seconding or debate); or

22.2.2 adjourn the meeting for such period as in the opinion of the Chairman is expedient.

22.3 In the event of a general disturbance which, in the opinion of the Chairman renders the due and orderly dispatch of business impossible, in addition to any other power vested in him/her the Chairman may, without the question being put, adjourn the meeting for such period as he/she shall consider expedient.

22.4 All Members, including any person co-opted as a member of the Authority or one of its Committees, Sub-committees, Panels or other groups, shall at all times when conducting the business of the Authority, or conducting the business of the office to which the Member has been appointed or elected, or acting as a representative of the Authority, act in accordance with:

22.4.1 the Members' Code of Conduct;

22.4.2 the Local Protocol for Member and Officer Relations; and

22.2.3 the Local Protocol for Members and Officers Dealing with Planning Matters.

23. DISORDER – MEMBERS OF THE PUBLIC

- 23.1 If a member of the public interrupts the proceedings at any meeting of the Authority, its Committees or Sub-committees, the Chairman shall warn him/her. If the interruption continues the Chairman shall ask that person to leave the room. If the interruption continues the Chairman shall order his/her removal from the room. In case of general disturbance in any part of the room open to the public the Chairman shall order that part to be cleared.
- 23.2 Where a remote meeting is taking place, references in this Standing Order to an interruption or disturbance include any untoward interference or any participation in the meeting otherwise than as permitted by these Standing Orders, whether that interruption arises through actions by a member of the public who is participating in the meeting or because a call or remote meeting is ‘hacked’ or otherwise interfered with by third parties.
- 23.3 Where a remote meeting is taking place, references in these Standing Orders to a party being asked to leave the room include references to a person being removed from a call, webcast or other means of holding the meeting, whether that removal takes place by that party’s own action following a request by the Chairman, or by their enforced removal from that call or meeting by the Authority’s officers. Where this Standing Order applies the Chairman may also mute a person’s microphone or turn off their camera or request that officers do so, or otherwise prevent that party from speaking or participating further.
- 23.4 In the event of a general disturbance which, in the opinion of the Chairman renders the due and orderly dispatch of business impossible, in addition to any other power vested in him/her the Chairman may, without the question being put, adjourn the meeting for such period as the Chairman shall consider expedient.

24. MEETINGS TO BE OPEN TO THE PRESS AND PUBLIC

This Standing Order 24 applies to all meetings of the full Authority and its Committees and Sub-Committees

- 24.1 Every meeting of the Authority or any Committee or Sub-committee shall be open to the press and public, whether physically or by means of remote or virtual technology in accordance with the Coronavirus Regulations, except in the following circumstances:
- 24.1.1 the press and public shall be excluded from the meeting during an item of business whenever it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that, if members of the public were present during that item, confidential information as defined

in Section 100A(3) of the 1972 Act would be disclosed to them in breach of the obligation of confidence;

24.1.2 the press and public may by resolution under s100A(4) of the 1972 Act be excluded from the meeting during an item of business whenever it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during that item there would be disclosure to them of exempt information, as defined in Section 100 I of the 1972 Act and in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

24.1.3 If any question arises at a meeting of the Authority or any Committee or Sub-committee as to the appointment, promotion, dismissal, salary, superannuation, conditions of service or conduct of any Officer, or where persons are being considered for an appointment with the Authority, a motion under Section 100A(4) of the 1972 Act to exclude the public shall be moved forthwith by the Chairman and put without debate.

24.2 A resolution under Standing Order 24.1 shall identify the proceedings, or the part of the proceedings, to which it applies, and state the description, in terms of Schedule 12A to the 1972 Act, of the exempt information giving rise to the exclusion of the press and public.

24.3 All items where it is likely that the public shall be excluded from the meeting shall be grouped at the end of the agenda (under Part II) and the agenda shall indicate that the public are likely to be excluded from the meeting during the discussion of these items, unless the matter is one that was not included in the summons for that meeting or it becomes apparent at the meeting that the item is likely to involve discussion of exempt or potentially exempt information. Reports relating to an item that is considered exempt may also be withheld from publication and disclosure provided that this is done in compliance with all applicable legislation including the 1972 Act and all statutory provisions relating to access to information.

24.4 Unless the Chairman shall direct otherwise, the business the subject of any resolution under Standing Order 24.1 shall, upon the passing of that resolution, forthwith stand adjourned until the conclusion of all other business at the meeting, whereupon the Chairman shall invite the press and public to leave the meeting so that the adjourned business shall be considered.

25. THE AUTHORITY'S SEAL

Custody of seal

25.1 The Common Seal of the Authority shall be kept in the custody of the Authority's Solicitor and Monitoring Officer.

Sealing of documents

25.2 The Common Seal of the Authority shall not be affixed to any document unless the matter has been authorised by a resolution of the Authority or one of its Committees, Sub-committees or Panels or by an Officer to whom the Authority has delegated its powers in this behalf.

Attestation of sealing

Schedule 1

Part 1: Public Speaking at Authority and Committee Meetings

(Part 2 of Schedule 1 deals with public speaking at Planning Committee meetings)

- A. Where a remote meeting takes place, any members of the public and Parish, District and County Councillors may participate in that meeting by remote or virtual means where they are able and willing to do so, and references in this Schedule to actions such as 'participation' 'speaking' and 'addressing the meeting' will include any participation by those means. In these circumstances, that participation will take place as far as possible in accordance with the procedures set out in these Standing Orders.
- B. It is anticipated that remote meetings will take place by way of 'Microsoft Teams' or similar technology, which will be streamed to the public. Prior to the meeting officers will where practicable attempt to assist members of the public and other parties to connect using that technology (or other technology as applicable) and to download a web app or other means to enable them to do so. However, it should be noted that it may not be possible for third parties to connect and participate in meetings in this way for reasons outside the Authority's control.
- C. Where, at a remote meeting, a member of the public or a Parish, District or County Councillor or Member wishes to make a representation in accordance with Part 1 to Schedule 1 of these Standing Orders but is unable or unwilling to attend by remote or virtual means as outlined above, that person may submit a written statement to the Authority two clear working days beforehand and an officer shall read out the statement to the meeting. Where in the Chairman's reasonable opinion such a statement contains defamatory or offensive material or would breach data protection provisions or any other law, or it takes longer than three minutes to read out, the Chairman may in his or her absolute discretion instruct the relevant officer not to read out that statement or may ask the relevant officer to cease reading out the statement at any time.
- D. The order of proceedings is as follows:
 - 1. Any member of the public wishing to ask a public question, make a statement or present a petition at a meeting of the Authority or a Committee of the Authority, in relation to any item on the relevant Authority or Committee agenda, or on any matter that falls within the Authority's powers or the terms of reference of a Committee, must inform the Member Services section of the Authority at least two clear working days prior to the commencement of the meeting and must at that time notify the Authority as to the subject matter that they wish to raise.
 - 2. The Chairman shall have discretion to allow members of the public to attend and speak at any (non-remote) meeting by electronic means (such as through Microsoft Teams or similar technology that is supported by the Authority's

systems) where practicable and where issues of health and disability apply. Any member of the public wishing to attend in this way who would not otherwise be able to attend the meeting must inform the Member Services Administrator of their requirements in accordance with this paragraph at the time of registering to speak in accordance with paragraph 1 above.

3. Where the member of the public wishes to address the Authority or Committee in respect of an item on the agenda for that meeting, they must identify the agenda item when notifying the Chief Executive (National Park Officer) of their intention to speak.
4. The Chief Executive (National Park Officer) shall inform the Chairman presiding at the meeting, before the commencement of that meeting, of all question(s), statements or petitions notified by any member of the public.
5. Subject to Standing Order 15.1 and paragraphs 5, 6 and 7 below, the Chairman will invite those members of the public who have given prior notice to speak, in the following order:
 - 5.1 Each individual or group (having appointed a spokesperson) who has indicated that they wish to speak otherwise than in connection with an item on the summons for the meeting may do so for up to three minutes each, or longer at the Chairman's discretion;
 - 5.2 Each individual or group (having appointed a spokesperson) who has indicated that they wish to speak in connection with an item on the agenda for the meeting may do so for up to three minutes each, or longer at the Chairman's discretion;
 - 5.3 Any Member of the Authority who has declared an interest in an item to be considered at a meeting as described in Standing Order 4.12 or 5.13 and the Authority's Code of Conduct may speak for up to three minutes each, or longer at the Chairman's discretion. The Chairman shall have discretion to waive the notice requirement where that Member was unable to give notice because he/she was unaware that such an interest would arise under that item.
6. Where there are a large number of individual speakers who in the opinion of the Chairman appear to be concerned with the same subject matter, the Chairman may ask those concerned to nominate one of their number to ask the question, or present the statement or petition. In such cases the Chairman will allow up to five minutes to enable the spokesperson to be appointed and the question formulated.
7. The time allowed for public and Member questions, statements and petitions at any meeting under these Standing Orders shall not normally exceed 20 minutes unless the Chairman directs otherwise.
8. In accordance with the Members' Code of Conduct, any Member who has spoken pursuant to paragraph 5.3 of this Schedule shall immediately afterwards leave the meeting and, for the avoidance of doubt, shall take no part in the debate or vote.

9. Any questions posed may be answered at that time without debate. If the matter raised is on the agenda for discussion later in the meeting it may be noted for consideration when the relevant agenda item is reached. The Chairman may allow a supplementary question wherever reasonable and appropriate, or in exceptional circumstances the Chairman may adjourn the meeting to allow views to be expressed more freely.
10. If a person who wishes to speak at a meeting of the Authority or a Committee fails to comply with the requirements of this Schedule, for example by failing to notify his/her intention to speak within the time limit set out in paragraph 1, or otherwise requests any variation to these procedures, the Chairman may at his/her discretion make any variation to these procedures as requested or otherwise as he/she thinks appropriate, provided that in his/her view the balance of the public interest would lie in favour of allowing that variation in order to ensure that the Authority or Committee has all information relevant to making an informed decision. In exercising this discretion the Chairman shall take into account any relevant factors underlying any request for variation or accounting for any delay or failure to comply with these rules, including but not limited to the time at which the person received notice of the meeting, any relevant health or accessibility issues, and general principles of fairness and transparency.
11. If in the opinion of the Chairman and at his/her absolute discretion it would be necessary for the efficient or proper dispatch of the Authority or relevant Committee's business or would otherwise be appropriate in view of the subject matter of a speaker's presentation, the Chairman may ask any speaker to draw his/her remarks to a close at any time.
12. For the avoidance of doubt, in this Schedule "Chairman" shall mean the person presiding at the meeting of the Authority or any Committee of the Authority in accordance with Standing Order 10.

Part 2: Public Speaking at Planning Committee

- A. Where a remote meeting takes place, any members of the public and Parish, District and County Councillors may participate in that meeting by remote or virtual means where they are able and willing to do so, and references in this Schedule to actions such as 'participation' 'speaking' and 'addressing the meeting' will include any participation by those means. In these circumstances, that participation will take place as far as possible in accordance with the procedures set out in these Standing Orders.
- B. It is anticipated that remote meetings will take place by way of 'Microsoft Teams' or similar technology, which will be streamed to the public through the Authority's website. Prior to the meeting officers will where practicable attempt to assist members of the public and other parties to connect using that technology (or other technology as applicable) and to download a web app or other means to enable them to do so. However, it should be noted that it may not be possible for third parties to connect and participate in meetings in this way for reasons outside the Authority's control.
- C. Where, at a remote meeting, a member of the public or a Parish, District or County Councillor or Member wishes to make a representation in accordance with these Standing Orders but is unable or unwilling to attend by remote or virtual means as outlined above, that person may submit a written statement to the Authority two clear working days beforehand and an officer shall read out the statement to the meeting. In these circumstances it will not be possible for members to question that party at the meeting and nor shall any such party have a right of reply. For the avoidance of doubt, there will be no option to present by means of pre-recorded video or audio.
- D. Where in the Chairman's reasonable opinion a written statement under paragraph C above appears to contain defamatory or offensive material or would breach data protection provisions or any other law, or it takes longer than three minutes to read out, the Chairman may in his or her absolute discretion instruct the relevant officer not to read out that statement or may ask the relevant officer to cease reading out the statement at any time.
- E. The order of proceedings is as follows:
 - 1. Any member of the public, any member of the Authority speaking in accordance with paragraphs 13 or 14 below, and any representative of a Parish, District or County Council, wishing to ask a question, make a statement or present a petition at a meeting of the Planning Committee must inform the Member Services section of the Authority at least two clear working days prior to the commencement of the meeting in writing, by e-mail or telephone. The notice must identify the agenda item and planning application number in question and speaking will only be allowed in relation to a matter listed on the agenda (broader questions regarding the Authority's powers and duties as the local planning authority should be raised at an Authority meeting). Public speakers

are also required to indicate whether they wish to speak in support of or against an application; however, this latter provision shall not apply to representatives of a Parish, District or County Council nor to members of the Authority (excluding those with an interest as described in Standing Order 5.13 – paragraphs 13 and 15 below refer).

The Chairman shall have discretion to allow members of the public to attend and speak at any (non-remote) meeting by electronic means (such as through Microsoft Teams or similar technology supported by the Authority's systems) where practicable and where issues of health or disability apply. Any member of the public wishing to attend in this way who would otherwise be unable to attend the meeting must inform the Member Services section of their requirements in accordance with this paragraph at the time of registering to speak in accordance with paragraph 1 above.

2. The Member Services section of the Authority will inform the Chairman presiding at the meeting, before the commencement of that meeting, of all questions, statements and petitions notified by any member of the public. Officers will produce a list of public speakers for all members of the Committee and relevant officers for the Committee meeting.
3. In the event that a speaker wishes to refer to a visual aid or other supporting document or evidence, it must be submitted to the case officer at least two clear working days before the meeting. Where in the case officer's view it is appropriate and practicable to do so, the case officer will be responsible for ensuring that any information for visual display at the meeting is scanned into the Authority's electronic document system, having verified the contents. For the avoidance of doubt, no visual aid or other document or evidence may be submitted for consideration at a meeting of the Committee unless either (i) it has been submitted two clear working days in advance of the meeting, or (ii) the Committee Chairman has given his or her express consent. No visual aids submitted by third parties shall be allowed at a remote meeting of the Committee unless (i) expressly permitted by the Chairman in advance of the meeting, and (ii) it is practicable to include the visual aid within the virtual/remote presentation.
4. A representative from the Member Services section of the Authority will be available half an hour before the start of each meeting to meet public speakers and explain the procedure.
5. On each agenda item the planning officer or tree officer, as appropriate, will introduce the proposal with a short presentation.
6. The Chairman will then invite those members of the public and Authority members who have given prior notice to speak.
7. A total of three minutes is allowed for the applicant, agent, and supporters of an application (or alternatively for a statement supplied by the applicant/supporter(s) to be read out by officers, in accordance with paragraph C above). Where more than one person wishes to speak in support, the time must be shared between the speakers accordingly or they may select a single speaker to represent the group. It may not be practicable to allow the sharing of time at a remote meeting and in these circumstances the applicant, agent and/or supporters will be asked to select a single spokesperson. No questions may be asked by the speaker(s) of the officer or members.

8. The members of the Committee may then ask the speaker(s) any questions of fact. For the avoidance of doubt this paragraph 8 shall not apply where a written representation has been submitted to a remote meeting and read out by officers as outlined above.
9. A total of three minutes is allowed for the objectors to an application (or alternatively for a statement supplied by the objector(s) to be read out by officers, in accordance with paragraph C above). Where more than one person wishes to speak against an application, the time must be shared between the speakers accordingly or they may select a single speaker to represent the group. It may not be practicable to allow the sharing of time at a remote meeting and in these circumstances the objectors will be asked to select a single spokesperson. No questions may be asked by the speaker(s) of the officer or members.
10. The members of the Committee, as appropriate, may then ask the speaker(s) any questions of fact. For the avoidance of doubt this paragraph 10 shall not apply where a written representation has been submitted to a remote meeting and read out by officers as outlined above.
11. A representative of a Parish or Town Council who has given notice to speak on an application may then address the Committee in order to state the Parish Council's view on the item of business (no time limit) (or their statement may be read out at a remote meeting in accordance with paragraph C above). The members of the Committee may then ask the representative if present at the meeting, including attendance by means of remote technology, any questions of fact.
12. Any District and County Councillors who are not also members of the Authority and have given notice that they wish to speak on an application may then speak (no time limit) (or their statement may be read out at a remote meeting in accordance with paragraph C above). The members of the Committee may then ask those Councillors if present at the meeting, including attendance by means of remote technology, any questions of fact.
13. Subject to paragraph 15 below, any member of the Authority who has declared an interest, as described in Standing Order 5.13, in an application to be considered at a meeting may speak at the meeting.
14. A member of the Authority who is not a member of the Committee who wishes to speak at a meeting of the Committee may do so (no time limit) (unless they have declared an interest, as described in Standing Order 5.13).
15. A member wishing to speak pursuant to paragraph 13 above must indicate whether he/she wishes to speak in support of or against a particular application and must share the three minutes allowed with the members of the public speaking in support of or against (as appropriate) that application.
16. The Committee will then debate the proposal and may ask officers any questions.
17. Paragraphs 18 – 20 below do not apply where a person makes a representation in writing to be read out by officers at a remote meeting.

18. Subject to Paragraph 17, once the debate has ended, the Chairman will invite the applicant/supporter(s) to sum up and/or reply to the debate for up to a total of one minute (i.e. those speaking further to paragraph 7 above). Speakers will not be allowed to raise new issues.
19. Subject to Paragraph 17, the Chairman will then invite the objector(s) to sum up and/or reply to the debate for up to a total of one minute (i.e. those speaking further to paragraph 9 above). Speakers will not be allowed to raise new issues.
20. Subject to Paragraph 17, the Chairman will then invite the Parish or Town Council representative to sum up and/or reply to the debate for up to a total of one minute (i.e. those speaking further to paragraph 11 above). Speakers will not be allowed to raise new issues.
21. Subject to Paragraph 17, the Chairman will then invite any District or County Councillor(s), or NPA member(s) speaking pursuant to paragraph 14 above, to sum up and/or reply to the debate for up to a total of one minute. Speakers will not be allowed to raise new issues.
22. The planning officer may then respond to any issues raised by the speakers.
23. There will be no further speaking unless at the discretion of the Chairman.
24. The Chairman will then take the matter forward to the vote.
25. If a person who wishes to speak at a meeting of the Committee fails to comply with the requirements of this Schedule, for example by failing to notify his/her intention to speak within the time limit set out in paragraph 1, or otherwise requests any variation to these procedures, the Chairman may at his/her discretion make any variation to these procedures as requested or otherwise as he/she thinks appropriate, provided that in his/her view the balance of the public interest would lie in favour of allowing that variation in order to ensure that the Committee has all information relevant to making an informed decision. In exercising this discretion the Chairman shall take into account any relevant factors underlying any request for variation or accounting for any delay or failure to comply with these rules, including but not limited to the time at which the person received notice of the meeting, any relevant health or accessibility issues, and general principles of fairness and transparency.
26. If in the opinion of the Chairman and at his/her absolute discretion it would be necessary for the efficient or proper dispatch of the Committee's business or would otherwise be appropriate in view of the subject matter of a speaker's presentation, the Chairman may ask any speaker to draw his/her remarks to a close at any time.

 - 1.2 The action mentioned in paragraph 1.1 above is suspension of the officer for the purpose of investigating the alleged misconduct occasioning the action; and any such suspension shall be on full pay and terminate no later than the expiry of two months beginning on the day on which the suspension takes effect.
- 2. Investigation of alleged misconduct**
- 2.1 Where it appears to the Authority that a complaint of misconduct involving the Chief Officer, the Monitoring Officer, or the Chief Finance Officer, requires to be investigated, the Authority shall appoint a person (*“the designated independent person”*), being such person as may be agreed between the Authority and the Chief Officer or other relevant officer or, in default of such agreement, appointed by the Secretary of State.
