

of Part 1 of Schedule 2 to the Order shall be erected or carried out without express planning permission first having been granted.

Reason: To ensure the dwelling remains of a size which is appropriate to its location within the countryside and that any future development proposals do not adversely affect the visual amenities of the conservation area through the proliferation of additional outbuildings and to comply with with Policies DP35, DP36, SP16 of the adopted New Forest National Park Local Plan 2016- 2036 (August 2019).

**Informative(s):**

- 1 The applicant is advised that not all the land included within the red edge of the application is considered to be residential curtilage and that the advice of the National Park Authority should be sought prior to any development within the area (notwithstanding that permitted development rights for some Class E has been removed by condition).
