INTRODUCING New Forest Marque INSPIRED membership

New Forest Marque INSPIRED is for creative producers of all kinds whose INSPIRATION comes from the New Forest but whose raw material may not be available locally.

Artists
Photographers
Jewellers
Potters
Designers
Authors

may all be using our natural surroundings to INSPIRE their work and to create their finished products but their raw material are produced further afield.

Until now these individuals have not been able to be part of the New Forest Marque and the local produce movement that it supports.

Our all new INSPIRED membership will run alongside the NEW FOREST MARQUE

allowing those with a clearly recognisable and unique connection to the New Forest to be part of the New Forest Marque.
