

The New Forest Tour Song

<http://www.thenewforesttour.info/>

To the tune of "The wheels on the bus".

The New Forest Tour drives all around,
Up and down,
Through village and town
The New Forest Tour drives all around
All day long.

Ponies on the road say
"Thanks for going slow
Thanks for going slow
Thanks for going slow"
Ponies on the road say "Thanks for going slow"
All day long.

Crabs on the beach say
"Take your litter home" (x3)
Crabs on the beach say
"Take your litter home"
All day long.

Donkeys on the heath say
"Don't feed me" (x3)
Donkeys on the heath say "Don't feed me"
All day long

Birds on their nests say "Dogs on leads please" (x3)
Birds on their nests say "Dogs on leads please"
All day long

Kids on the bus say **"Wow look at that!
Hey this is great! Who needs the car?"**
Kids on the bus say **"Wow this is great!"**
All day long
